

## **BE WITH ME**

### VERSE 1

The world falls away  
When I see your face  
Jesus it's always been You

And I hear Your voice  
Above all the noise  
Jesus it's always been You

### **CHORUS**

**Be with me  
I just want You to be with me  
I don't need You to do a thing  
Your love is enough**

### VERSE 2

There's nothing to hide  
I'm Yours and You're mine  
Jesus it's always been You

I am complete  
What more could I need  
Jesus it's always been you

### BRIDGE

In Your Presence, I know where I stand, I know who I am in Your love  
In Your Presence, What more could I need, I know I'm a child of God
