

Arms Of Grace

V1

Come, for He is waiting, His hands of kindness
welcome us home
Come, to the arms of grace, He has never left you
and He never will

CH

Come as you are, He is calling
Bring Your battle scars, He'll embrace them
Come as you are, To the arms of grace, To the arms of grace

V2

Run, as He runs to you, in this Holy moment
when Love overcomes
Now, all sin forgiven, We will join with heaven
Salvation's song

BR

Through him all sin forgiven, through him all burdens lifted
the name we'll sing forever, Jesus
Now we're no longer orphans, the doors of heaven open
The name we'll sing forever, Jesus
